

CAS Steel Erectors is a well-established family-owned Steel Erection Company. We have been in operation for 25 years and work mainly in the SE region of the country. Within the CAS Steel Organization there are no politics and we are a transparent, straightforward company. We are in search of a knowledgeable, hardworking, full-time surveyor to work from our home office in Hendersonville, NC and travel to jobsites. You would report directly to the owners and be considered part of the Management team.

Responsibilities:

- Travel to various Steel Erection jobsites to Survey

Report on a weekly basis to Management

What We Offer:

- Full time position with a guaranteed 40 hour pay week
- 1 week paid vacation
- Hourly wage - negotiable depending on experience \$28-\$35
- Daily per diem for out of area jobs
- Company cell phone/laptop/tablet (will furnish needed electronics)
- Company vehicle
- Health Insurance 50/50
- State of the Art Equipment to work with

What we Require:

- 2-4 year Survey affiliated degree and/or 1-2 years practical experience in surveying
- Computer skills Word, Excel
- Ability to work from the home office weekly and travel to jobsites
